MJ-L5PEGRKIT EGR Gasket Kit for 6.6 Duramax L5P 2017-2026

MJ-L5PEGRKIT EGR Gasket Kit is an aftermarket replacement kit for GM 6.6L Duramax L5P 2017–2026 applications. The kit includes 10 gaskets and seals covering key EGR system connections, including the EGR valve and EGR cooler. By combining multiple replacement parts in one kit, MJ-L5PEGRKIT helps simplify parts sourcing for EGR repair, replacement, and routine maintenance needs.

MJ-L5PEGRTBKIT1 EGR & Turbo Gasket Kit for 6.6 Duramax L5P 2017-2023

Covering both EGR and turbo system connections, MJ-L5PEGRTBKIT1 provides 8 replacement gaskets for GM 6.6L Duramax L5P applications. The kit includes gaskets for the EGR valve, turbocharger, oil inlet tube, and turbo oil return pipe. With the main sealing components grouped in one set, the kit provides a convenient sourcing option for L5P EGR and turbo service requirements.

MJ offers a wide range of gasket products for various industrial applications. For more product information or sourcing inquiries, please contact us. If you have any questions about international purchasing, please visit our [FAQ](#) page or contact the MJ sales team.
